Dear Mr. Cook:

Last evening Wawa Headquarters called the Region regarding the above Wawa store. The township in which the store resides has passed an ordinance regarding self-service cigarette sales whereby it is no longer legal for the store to sell cigarettes self-service. Please have the appropriate RJR representative stop in and pick up the counter displays.

Additionally, please determine what should be done with the 3-Sided special fixture in the store. Perhaps you have another location in your Division/Region where this is needed.

Thank you for your attention to this request.

Best regards,
